Summary

I am a senior **Full Stack developer of around 5 years** in building high-quality websites. I am comfortable with ASP.NET, Angular, .Net Core, MS SQL, Web API, C#, Typescript, Entity Framework, LINQ, and DBMS technology using Microsoft SQL Server, SQL Injection, Stored Procedures. I am a good client handler with an effective understanding of the actual requirements of the project with output as the client's needs. I'm a quick learner and tackle complex code quite easily.

EXPERIENCE
